Dear Sir:

Applicants are in receipt of an Office Action *dated May 13, 2003* in connection with the above-identified application, which was *faxed* to the applicants on *November 7, 2003* by Julia K. Batts of the Technology Center 1600. A copy of the facsimile cover sheet is included. Also, included is a copy of the front page of the Office Action as faxed, which shows the date and the time the fax was received by applicants at the correspondence address (Exhibit A).

On October 23, 2002, applicants filed Continuing Prosecution Application containing the following new correspondence address (see Exhibit B, page 4, item 10):

Application Serial No. 09/478,977

PATENT
13761-727 (89188.0007)

William E. Thomson, Jr.
Hogan & Hartson, L.L.P.
Biltmore Tower
500 South Grand Avenue, Suite 1900
Los Angeles, CA 90071
Telephone: (213) 337-6700
Fax: (213) 337- 6701

The postcard evidencing the receipt of the CPA request with the request for address change is enclosed (see Exhibit B, page 1). On March 12, 2003, PTO mailed the Corrected Filing Receipt acknowledging CPA to the old correspondence address at McCutchen, Doyle, Brown, and Enersen LLP (Exhibit C, page 1). McCutchen forwarded the Corrected Filing Receipt to the attorney for the applicants at the new correspondence address on March 19, 2003 (Exhibit C, page 3). The Notice of Publication of Application dated June 19, 2003 was also mailed to McCutchen. McCutchen forwarded the Notice to the attorney for the applicants at the new correspondence address on July 21, 2003 (Exhibit C, page 4).

On October 31, 2003, while conducting a routing review of the file, the attorney for the applicants discovered that over a year has elapsed since the CPA filing and no Office Action has been received. The search of the Patent Application Information Retrieval has revealed that an Office Action was mailed on May 13, 2003 (Exhibit D, page 1). Attorney for the applicants contacted McCutchen to find out whether the Office Action has been received at the old mailing address. Edwina Felini of McCutchen checked the files and did not find any records reflecting a receipt of the Office Action. She also noted that it is their normal business practice to promptly forward all correspondence from the PTO to the new attorney in the

Application Serial No. 09/478,977

PATENT

cases that they are not handling anymore. At the request of the attorney for the applicants, on *November 7, 2003*, Julia K. Batts of the Technology Center 1600 faxed the Office Action of May 13, 2003.

The non-extendible six-month-period for reply to the Office Action of May 13, 2003 ends on November 13, 2003, which is less than a week from the date the Office Action was received by the applicants for the first time. Since a substantial portion of the set reply period had elapsed on November 7, 2003, applicants respectfully request the Examiner to reset the time for responding to the Office Action. Applicants believe that the mailing date of the Office Action should be reset to November 7, 2003 with the six-month period for reply ending on May 7, 2004. Applicants ask the Examiner to confirm the grant of this petition by fax to (213) 337- 6701 at the Examiner's earliest convenience but before the six-month due date of November 13, 2003.

Respectfully submitted,

HOGAN & HARTSON L.L.P.
